

## PB Checkup Feedback: 05.06.2026

### Normal User

#### Normal User / Desktop Version

1. For Sales, Rentals, and Wanted Ads, set the expiry date by default to 60 x days from the posted

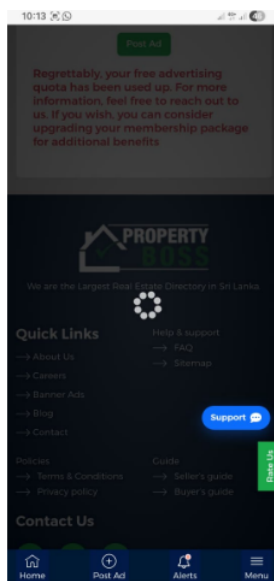

Date setting option is missing

Add a radio button in front of “Sell a property” same as in EPL

#### Normal User / Mobile Version

1. Couldn't post an ad , it requires a membership activation since a normal user too.

## 2. Ad Complaint

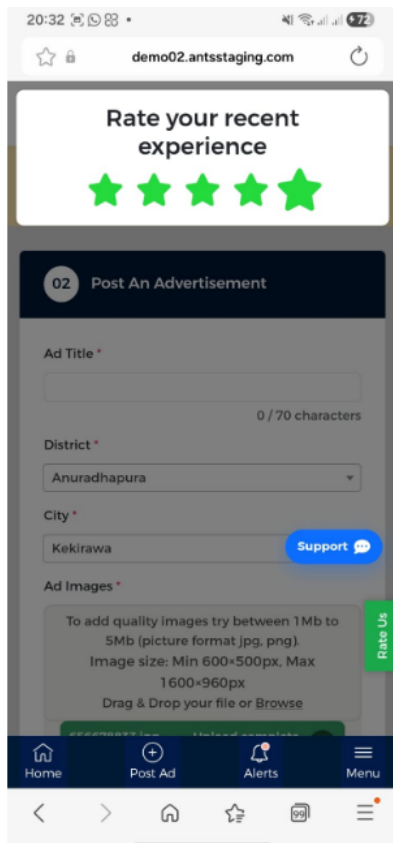

- When we assign a staff member to an Ad Complaint , that email has not the ad link there.

## 3. Membership

- There are some Membership Plan for the Normal Users too.A link for the Memberships is not in the side menu but we can access them through the “Change Plan” button.

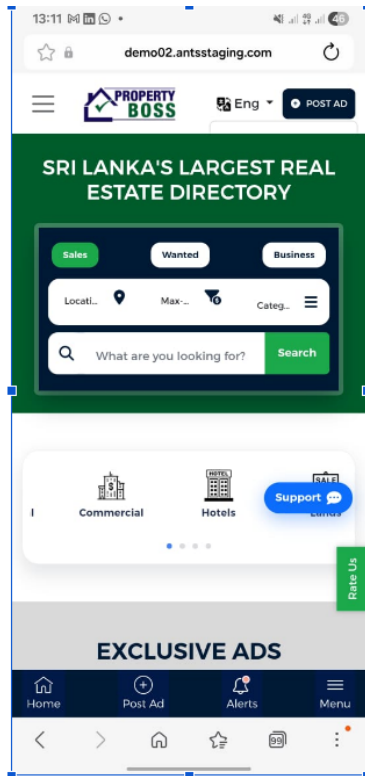

## 4. Rate Us

- Rate Us Option is not working. When we select 5 stars,the option for entering User reviews is not coming.

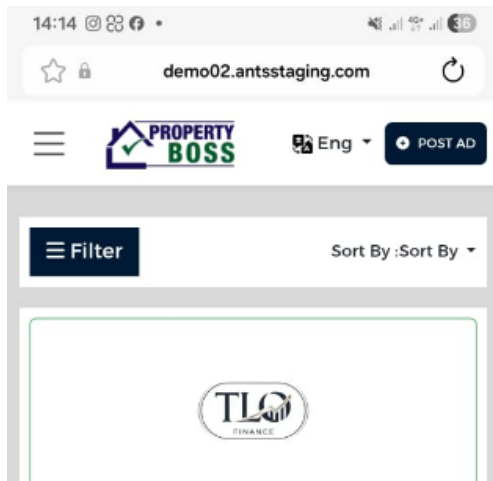

## 5. Language Selection Dropdown

- Language Selection Dropbox has overlapped.

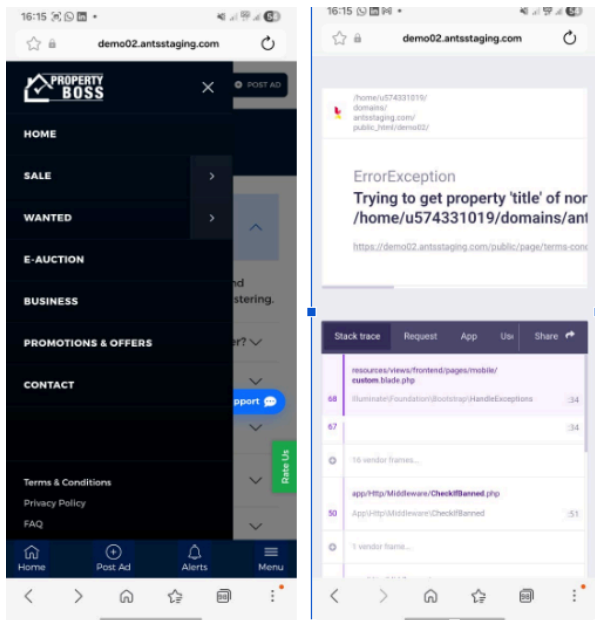

## 6. Sort By

- Sort By” text has been repeated.

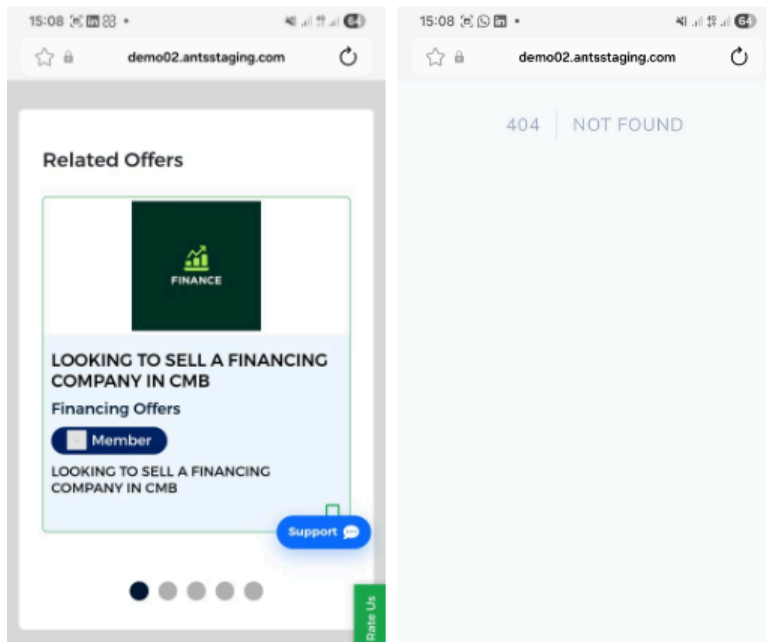

## 7. T&C

- When we click on “Terms & Conditions” in the main menu, it’s redirecting to this error page.

## 8. P&O

- When we open a promotion or offer there is a related offer. But it's not in the system.

## Business User

### Business User / Desktop Version

1. Business users unable to publish Promotional Ads
2. User enable Sales Ad posting without selecting "Promotional Type"
3. Business listing sorting options (Newest, Oldest, Title) not functioning correctly

Last Months Profile Views

Month Wise Inquiries

#	Month	Count
1	June 2026	1

- Data Mismatch
- Missing Year Context on Graph
- "Month Wise Inquiries" to be corrected as Month-Wise Inquiries

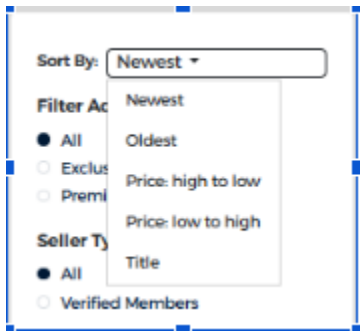

## Business User / Mobile Version

### 1. Post Ad

Business users can't create both Ads and Promotions from the Post Ad page

### 2. Listing Page

The price filter has not been removed from the sorting options on the business listing page

### 3. Ai Description

Ad Description regenerate the description in Sinhala after generating it in English is not showing

### 4. Customer Complaint (Admin)

In the CRM status field, only "Resolved" and "Responded" statuses are displayed. The statuses "New", "In Progress", and "Closed" are not being displayed.

**CRM Actions**

**Status**

- New
- New
- Responded
- Resolved

**Priority**

High

**Assign To**

Shehan Weerasingh

Optional)
